872 Glenwood Road  
DeLand, Florida 32720 USA

**PLEASE READ THIS INFORMATION**  
*WE WILL ABIDE BY THESE PRINCIPLES*

*IF YOU DO NOT FOLLOW THESE GUIDELINES*  
*WHEN PLACING YOUR ORDER WE WILL*  
*ADJUST THE ORDER TO FIT THESE GUIDELINES*

## **OUR PRICE POLICY**

*It costs us \$2.00 per tape to produce and deliver these cassettes.* We want to be a ministry, not a business. Our work is done by volunteers and we do all in our power to keep our costs at a minimum. When you send us \$2 per cassette that keeps our work going.

Over 90% of our materials are sent outside the USA. It is not possible for persons in Third World nations to pay for their tapes, and those missionaries and native pastors abroad (whom we most desire to serve) have no funds to spare. Also, there are many in the states who cannot afford the tapes they desire and we do not believe God would have us deny them the opportunity to learn. Therefore, we ask that all who are able send as much as they can afford to help with the expense of the work.

If you *honestly* cannot send funds to cover the cost of your order, we will still send the materials you desire. We want you to grow in grace and knowledge. Remember, if you can afford a computer, a cell phone and cable TV you can afford to pay for your tapes.

We ask that those not sending funds limit their requests to twenty tapes at a time.

## **LIBRARIES, CHURCHES, SCHOOLS**

These tapes may be copied, reproduced, distributed or added to libraries without written approval, provided they are not edited or sold for profit. We ask that you please place OUR address on duplicated materials.

## **SHIPPING**

We send out several thousand tapes each month and have received requests from over 100 nations. This places a great burden on a small local church. Please be patient. All orders will be filled as soon as time and funds allow.

Your tapes will be sent at the least expensive rate available. We cannot afford Air Mail rates abroad nor First Class rates domestic. Such expense would halt our work. If you cannot bear to wait, we ask that you send postage costs for the amount of the upgraded service.

We wish this were an honest world. It is not. We cannot guarantee that the materials you order will reach you. This is especially true of overseas mailings. We can only pray with you that the Lord will place the books and tapes we send into the hands of those who need them most. If you have not received your order in a reasonable time period (two months USA, six months abroad), do contact us and we will send a replacement.

## **FORM OF PAYMENT**

We are THE BIBLE Baptist Church and ask that all checks and money orders be made out to the church. We use the name Highway Evangelistic Ministries for materials going outside the U.S. and into prisons to grant them greater freedom of movement.

To save time and expense, we send one receipt per year to contributors in the U.S. We do not send a receipt with each order.

## DEFECTIVE MATERIALS

We cannot check every tape before mailing and some are erased or damaged en route, sometimes there are problems with the master tapes and duplicating equipment of which we are not aware. Should you receive defective tapes please notify us and we shall replace them. Do not return the tapes. Notice: if you have three or four tapes in an order with poor sound quality or if you seem to receive tapes in every order with poor sound quality be sure you properly clean your tape player on a regular basis.

## CD AND MP3

No doubt the day will come when much of this material will be available in CD format. That day has not arrived. Please bear in mind that 90% of our requests come from those parts of the world where cassettes are the standard and will be for some time to come. We are in the process of converting our radio programs to CD. Please do not call or write asking if we have such and such on CD. If it is not listed herein, we do not have it on disc.

## TELEPHONE ORDERS

Someone calls from their cell phone. The signal is bad. We cannot get the numbers or the address right. Someone calls and speaks so rapidly we cannot make out what they are saying. Someone calls and one of our lightning storms knocks out the answering system. Etc. Etc. **Please: NO telephone orders.** Thank you.

*Now I beseech you, brethren, for the Lord Jesus Christ's sake,  
and for the love of the Spirit, that ye strive together with me  
in your prayers to God for me (Romans 15:30)*

## **VERSE-BY-VERSE BOOK STUDIES**

*So they read in the book in the law of God distinctly, and gave the sense, and caused them to understand the reading* (Nehemiah 8:8).

This is our most extensive Bible teaching. The studies will take you through the Biblical book expounding upon each phrase and word of the text. **THESE EXPOSITIONAL TEACHINGS ARE THE MOST VALUABLE MATERIALS IN OUR CATALOG.** Please avail yourself of this information.

## **HEROES OF THE FAITH**

*For thou hast a little strength, and hast kept my word, and hast not denied my name...behold, I will make them to come and worship before thy feet, and to know that I have loved thee* (Revelation 3:8-9).

These tapes contain biographical sketches of the great men and women of the New Testament church. Most of these names are unknown to today's Christians, but the tales of these great lives must be retold. You will be blessed and challenged as you hear of the miraculous ways in which the Lord has wrought His wonders in the lives of ordinary men and women who dared to trust Him.

Of all the programs aired on The Preaching of The Cross Radio Broadcast, these studies have received the greatest response. We promise you will enjoy them all.
